

## Minutes of the July 18, 2011 Committee Meeting

### Follow Up and Action Items

1. A motion was made and approved by all members of the committee at the May 25, 2011 meeting to recommend a 20 acre "Field" Grid System to the Board from which all future horizontal gas units will be designed and permitted.
2. Industry and DMME will meet to determine the construction of the "Field" Grid Mapping System before final presentation of the VGOB meeting on August 16, 2011.
3. A composite review of all the salient points discussed at the committee meetings was prepared and presented to the VGOB members at the July 19, 2011 meeting for their consideration for the final presentation in August.
4. Discussion of the requirement of the VGOB needs to manage the new "Field" rules.
